INTRODUCTION

The 1959 edition of the Roster of State and Local Officials follows the plan used in previous editions. The penal and correctional institutions are listed under the Department of Correction and the benevolent institutions are listed under the Department of Health; this issue contains the telephone numbers of the offices and institutions located in Indianapolis.

We appreciate the cooperation of state and local officials in supplying the information covering state, county, city and township officers. There is the possibility of some errors in names, addresses and expiration dates for the term of some officials; we have checked the lists with all available sources and feel confident that the listings as printed can be relied upon for all practical purposes.

No attempt is made to arrange major departments, operating units or territorial subdivisions on any basis of legal importance.

The Roster is issued for the use of the officials in Indiana and for its citizens and institutions having need of the information contained in it. We are interested in improving its usefulness and will welcome suggestions from those who have the opportunity of inspecting it.

We are printing 6,000 copies of this edition; free copies of The Roster may be obtained by addressing the State Board of Accounts, Statistical Department, 304 State House, Indianapolis 4.
